## Functional and stylish

The combination of size, performance and functionality are hallmarks of the Audi Q5 Sportback. Space is no longer an issue with the flexible rear seat bench with three movable segments. The optional variable folding luggage compartment mat and the sensor-controlled luggage compartment lid lessen the lift work for loading.

## Designed to draw you in

Even with its sporty sloping rear, the Audi Q5 Sportback offers plenty head and legroom for five people. The front sport seats provide the perfect seating position and the seat upholstery in Criollo Brown with contrasting stitching, emphasises the vehicle's stylish character. Choose to travel luxuriously with divine optional fine Nappa leather.

## A striking sculpture

The confident design is attributed to the sporty coupé-like roof line and wide, flat sloping rear. An aerodynamic appearance is achieved with the diffuser's horizontal trim, the long chrome strip that stretches across the entire vehicle. Level up the sportiness with a roof edge spoiler and S line equipment line accents.
